DEDICATION

To Our Parents

whose loving interest has been the essential support of our education, we, the Seniors of Troy High School, dedicate this 1951 Trojan.

To the Class of 1951:

When school opens in September, I often think of the Troy High School building as a large ship. The teachers are the crew and the students are the passengers. Together, they embark for a wonderful experience of pleasure, work, and adventure. Parents come to the pier to say farewell, parents who have worked and saved to pay the passage fare. Everywhere there is excitement, high hopes, and ambitions. The signal is given, the band plays, the flags wave, the old ship THS moves slowly down the bay and out to sea. In the evening the passengers go to their state rooms with books and pencils and paper to take note of the day's activities and to prepare for the morrow.

As we sail along the way, there are some disasters, some rough waters and now and then a passenger falls overboard or misses the boat at one of the ports of call. Our ship stops at many places in our own country, where we see the magnitude of our industries, the productiveness of our farms, the beauty of our literature and the greatness and integrity of our government. We stop at foreign lands where we learn the history of ancient countries and their languages. We visit the shrines of music and of art. We visit the great scientific laboratories of the world. We inspect factories that turn out products of wood and metal, of food and clothing. We measure distances and calculate geometric figures. We explore rivers and seas. We come on shore to climb high mountains. We come in contact with many races, creeds, and customs. We become familiar with strange animals and plants.

Often on shipboard there is much singing and the playing of instruments. There are dances and games and parties. On deck we mingle with one another and learn to be tolerant and desirous of justice and fair play.

Then late in the spring, the ship rounds out its voyage and steams back up the bay. The band plays, the flags wave, parents and friends are there to greet us. The ship is tied up at harbor and the passengers disembark, stronger in body and mind, more mature in feelings and obligations.

You seniors have made your last voyage on this good ship. You have shown that you are good sailors. It is our hope and prayer that the voyage you now take through the sea of life may be as happy and as successful as the one on the good ship THS. Rig your ship, set your sights high—a farm, a business, a profession, a skilled workman, a happy home—set your sights high and steer straight toward the goal.

At the beginning of every school year all classes assemble to elect their class president, vice-president, secretary, and treasurer. These officers take care of business that includes the entire class.

After electing their officers they go to their homerooms to elect home-room officers, who have charge of the governing of their homeroom. At the same time they elect a Student Council Representative to represent their homeroom in discussion including the entire student body. The Student Council meets with Mr. Croman almost every Wednesday to discuss and decide such matters as school discipline, and school improvement.

Class Song

(Tune—Seminary Days, from Marrying Marian)
After school is out,
We'll still think about
Days in Troy High School;
And we're inclined to grieve
Since we are about to leave.
We are the class of 51,
Full of life and fun,
Whose hearts will never cool;
And where e're we go
We will always show
Our love for Troy High School

Phyllis Crumbling

Class Poem

We, the class of '51,
Now know the time is here
To lay aside our school-day joys
And meet a world of fear.
We know not what's before us,
But know that we will try
To keep our trust in God and man,
And reach the goals of Troy High.
There will be times for us to fight
The threats of hate and war
Until we gain that world of peace
That never was before.
Then make our lives, oh God,
A crown of Thy success,
Grateful to our parents, friends,
And thee, our T. H. S.

—Iona Shaylor

Class History

September of 1947 found 117 "Green Freshmen" wandering through the unfamiliar halls of Troy High School. Many of us were seeing each other for the first time. In the few weeks that we had become acquainted with each other, we elected Alan Pomeroy, President; Eddie Merritt, Vice-President; Donna Congdon, Secretary; and Elizabeth Meikle, Treasurer.

Our first big social event was the Freshmen Reception. In front of a large crowd of upperclassmen, we went through our unrehearsed stunts. After that we did not feel as "Green Freshmen;" but as welcome students of T.H.S.

In September of 1948 we entered Troy High School as eager Sophomores. As we were acquainted with the school, we entered into the full swing of various activities. We wisely elected Robert Bachman, President; Marilyn Teeter, Vice-President; Wilber Slocum, Secretary; and Eddie Merritt, Treasurer.

Our gala event of this year was our Sophomore Hop. The girls donned gingham dresses and sunbonnets, and the boys donned overalls and plaid shirts. Did we have fun! Thus our second year as loyal students of T. H. S. came to a happy close.

In September of 1949 we returned as Jolly Juniors ready to join in the various activities. We elected Eddie Merritt, President; Wilber Slocum, Vice-President; Donna Congdon, Secretary; and Dean Wagner, Treasurer.

During the year we had class dues and noon-hour dances to prepare for our big social event of the year, the formal Junior Prom. Our gym was beautifully decorated in blue and gold with Ray Peterson's orchestra providing the music for our dreamy night of dancing and entertainment. At the heavenly affair King Raymond Slingerland and Queen Shirley Lyon were crowned by King Frank Dewitt and Queen Beverly Hewitt of the preceding year.

In September of 1950 we reached the long desired rank of seniors, our class only having eighty-five of its members left. We used our increased knowledge in electing Duane Brown, President; Franklin Morgan, Vice-President; Raymond Slingerland, Secretary; and George Page, Jr., Treasurer.

Our Senior play, "Out of the Frying Pan," under the capable direction of Mr. George Griffith was a great success. We presented it four nights. Hitting over the goal of last year's Curtis Campaign was also proved to be a great success in our selling magazines.

Graduation night will bring an end to four happy years at Troy High School. After we return from our Washington Trip many of us will be going on our way to practice the knowledge that we have acquired at our dear school, T. H. S.

Class Will

We, the senior class of 1951, being of sound mind, leave the following last will and testament:

To Mr. Crumbling, we leave all the broken test tubes and a new group of would-be chemistry students.

To the junior class, we leave the thrills and prestige that go with being seniors.

We have accumulated certain assets in the way of associations, and memories; which we are compelled to leave behind. We will dispose of them in the following manner:

Dorothy Hickok's ability to get along with Miss Lyon we leave to any fortunate person.

June Smith leaves her ability to sleep in P. O. D. class to Ardythe Vaughan.

Robert Hettich's fluency in English and ability on the speaking platform, we leave to Victor Woodward.

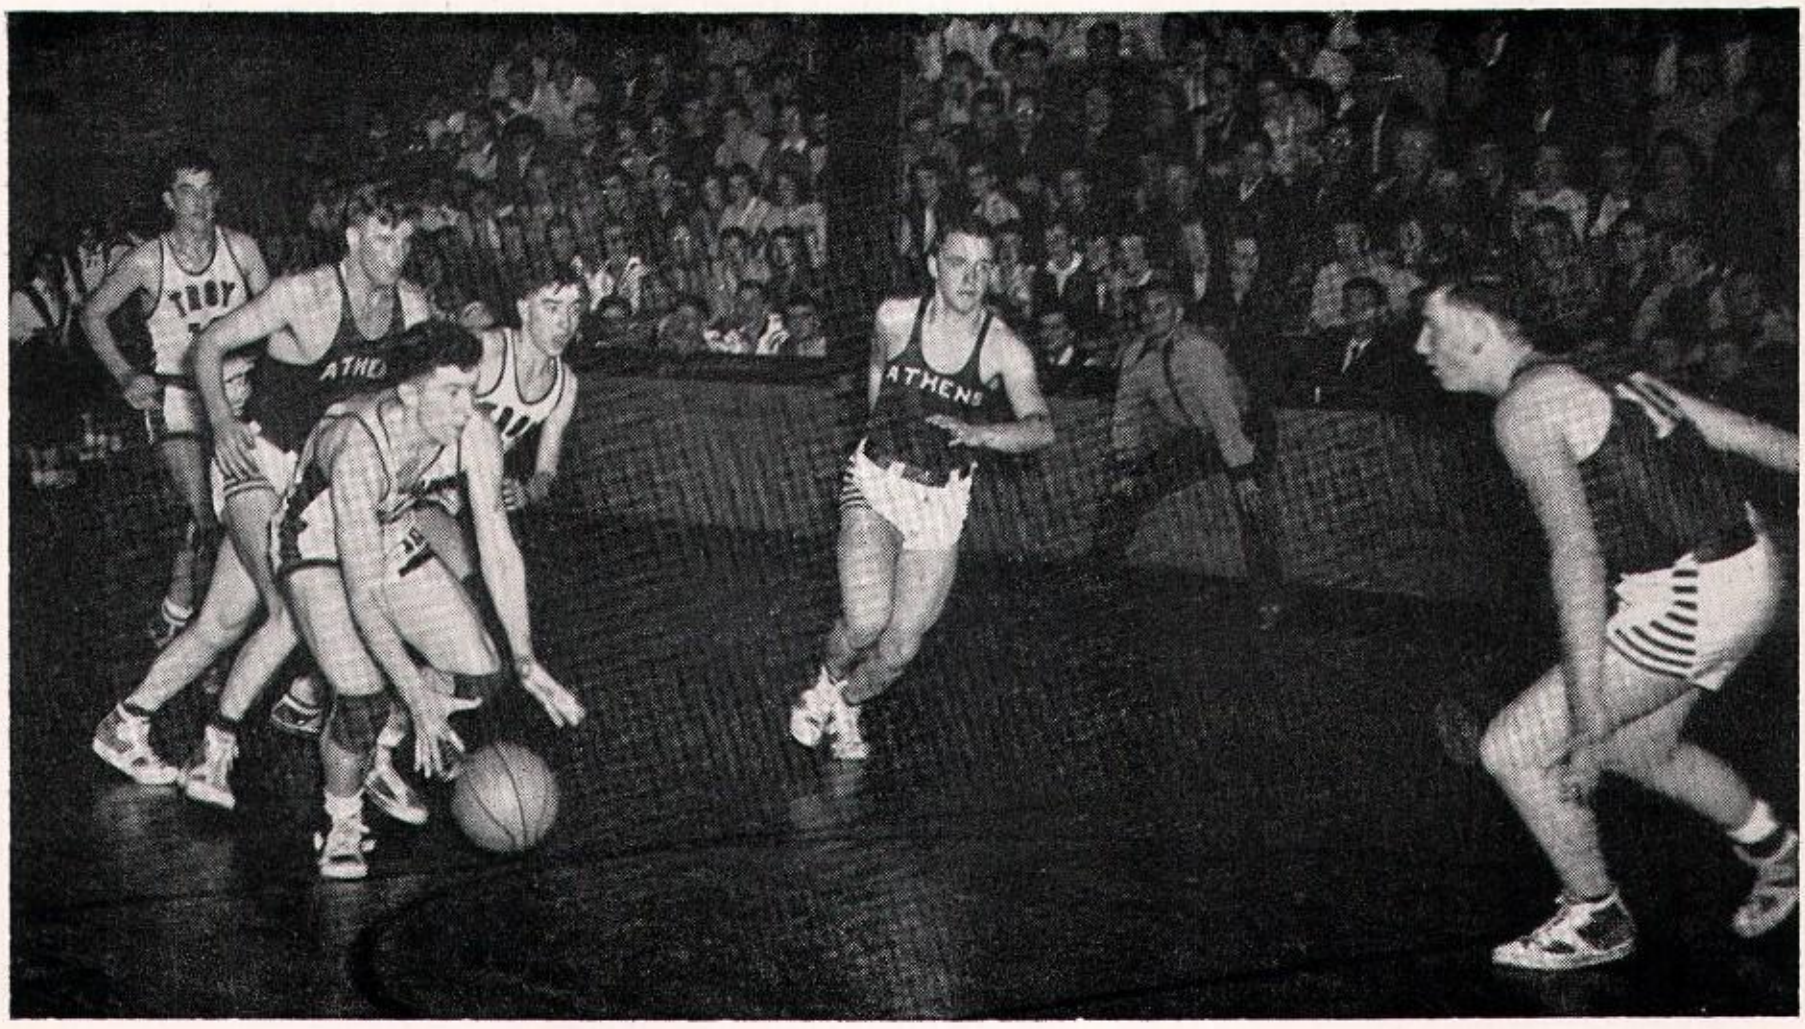
ACTIVITIES

Winning the R. T. L. Championship



The Champions

District 4 — *Roosevelt Trail League*

Basketball reached a new high at Troy High this year when our cagers under Coach Case fought their way through a difficult schedule to win two crowns; the first R. T. L. championship since 1944, and the first District championship in the school's history.

Defeated by Athens early in the season, the Trojans bounced back to trim Athens on her own court and win the play off in Elmira to capture the R. T. L. honors. After defeating Wellsboro, Tioga county champions, Troy won the district title from South Williamsport. In a play-off for State Championship the team had a bad night and lost to Clark Summit, bringing the total losses to four against twenty wins.

Although the successful season was due mainly to all boys working as a team under good coaching, there were a few outstanding players. Eddie Merritt was the R. T. L. high scorer with 216 points in 10 games. He and John Morse were chosen on the R. T. L.'s All Star first team and Bob Hettich on the second. Vic Woodward is the only varsity player to return next year. As we say goodby to the others, we congratulate Coach Case, Eddie Merritt, John Morse, Bob Hettich, Bud Becker, Bucky Slingerland, George Page, Ronnie Richter, Al Williams, John Hulslander, Vic Woodward, and Manager Matteson, for making a team that their opponents, their school, and their fans will remember for a long long time.

The Junior Varsity had an up and down season this year. They came in third in the Roosevelt Trail League with a record of 5 wins and 5 losses. The team's over all record was 8 wins and 10 losses.

Troy's J. V. was the only J. V. to beat Wellsboro this year. They stopped Wellsboro's string of wins at 21 by defeating them 21 to 20 at Troy

Most of this year's J. V. players will move up to the Varsity next year.

Mack Morse and Bob Johnson were choses by the older J. V. players to play on the R. T. L. all-star team. This team lost to Athens, who won the league.

The leaders club is made up of seventy leaders. The girls take attendance and take care of the shower room and equipment. Each girl is assigned to a certain task for a six week period. Each class chooses teams to play basketball. The winners play noons to pick the champion team.

Our basketball team this year had thirteen members. Joan Ballard, Nancy Van Veghten, Carolyn Teribury, Lorraine Reidy, and Mable Cole played their third year. Jackie Dunkle played her second year. Beverly Wilber, Shirley Harvey, Shirley Bachman, May Eaton, Patty Hickok, Shirley Hall, and Mary Jane Helms played their first year.

Mrs. Allen is continuing the system of awarding T's to those girls earning 100 points in athletics.

Three games have been played of which two were taken by the varsity. They took Wellsboro by one point and the Alumni by one point, and lost one game to Wellsboro.

Football Squad

1950 *Football*

The Troy High's football team experienced an off year with 7 defeats, 1 tie, and 0 wins. Troy's greatest trouble was keeping their offense going. Many times they were stopped inside the other teams 10 yd. line. The team worked hard and should be given great credit even though they were out classed in many of their games.

Next year Coach Phillips will have to build an all new line and Coach Bobkowski will have to find a quarter back and a good passer.

The following players received their football letters this year.

Ends: Hettick, Becker; Tackles: Hurlburt, Young, Hulslander, Richter; Guards: Morgan, Pomeroy, Corey, McNett; Centers: Page, Matteson; Backs: Slingerland QB, Morse HB, Merritt HB, Johnson HB, Spencer FB, and May HB.

The Trojans played only 3 games at home and these were played in very poor weather conditions. The 0-0 battle with Horseheads and the 20-12 defeat at Canton were two well played games. The best game though came at Sayre where Troy really put on a passing show. With Morse doing the throwing and Becker and Hettick catching them, the boys put on the best exhibition ever seen on Sayre's football field. The team seems to play their best games against Sayre.

From the left to the right: First row: Edward Merritt, Jack Bird, Frank DeWitt, Rex Bradley, Ben Jackson, James Carnegie, Charles Thomas, Richard Rockwell, John Morse;

Standing: James Wolfe, Richard Wilber, Gerald Matteson, John Hulslander, Robert Johnson, Robert Hettick, Merritt Becker, Donald Strong, George Page, Bruce Morse, Eugene Case, Coach.

The baseball team of 1950, the greatest one in the history of Troy High School, climaxed its brilliant season by winning the championship of District 4. Coach Case's boys romped home with their fourth straight R. T. L. championship but this was the first team to win the elusive district title.

The team went through the entire season undefeated. This was really remarkable because two of the pitchers they faced in the District play offs are now with major league farm clubs.

Rex Bradley played on all four of these consecutive championship teams. His batting average for the four years was .264 with 35 hits in 117 times at bat. He also scored 36 runs.

The team beat Wellsboro in their first district game 5 to 3. "Ben" Jackson had a shut out until the last inning when they scored all 3 of their runs. Next Troy played Watsontown and the score was 0-0 going into the sixth inning. Watsontown then scored their only run to go ahead 1-0. Troy came back in their half of the sixth to score 5 runs. The big blow was Bob Hettick's triple with the bases loaded. Ben gave up only two hits in this game.

In the finals of the District 4, Troy tangled with Millville at Bowman Field, Williamsport. Ben Jackson was never better as he pitched his team to a 5-4 victory. Bradley had two triples, one of them driving in Gerald Matteson from 1st base with the winning run in the 8th inning. Before this the score had been tied 4-4 with Millville getting 4 in the 7th. Troy scored its runs in the 5th, 6th and the final one in the 8th. The team ended the season in a blaze of glory.

In the spring of 1951 the Juniors won the soft-ball title by defeating the Seniors 9 to 8. Last fall the present Seniors defeated the Juniors 13 to 0 to take first honors in touch football.

The noon hour basketball league title was won by the undefeated Bombadiers, with Captain Smoky Crandell scoring 132 points to lead in individual honors. The team also included Frank Morkan, Ammon Scott, Max Spencer, Ken Hoose, Earl Montgomery, Melvin Woodward, Paul Selleck, Dick Kenyon, Jim Pautz, and Les Mingos.

The J. H. basketball team resumed play after a four year lay off. Coach "Bill" Biddle did not get a chance to assemble the team until after Christmas but managed to win 6 out of 7 games. They were victorious over Canton twice, F.F.A., Cross Roads, Small fry all-stars, Elmira Black Diamonds and lost only to the Elmira Mt. Nebo Blue Birds.

Music

We have had a very hard working music department this year. A new system of sectional practices whereby each student gets individual attention has been very successful.

So many new members were added to the Band that all have not yet received uniforms. During the summer, the band marched at the Laurel Festival and at the Fourth of July celebration. After school started, it accompanied the football team to almost every game, brought Santa Claus to town, and gave two concerts—one in assembly and one as part of the annual May Music Festival. An integral part of the concerts was the singing of the Boy's Glee Club.

Sallie Becker, Curtis Dunbar and Samuel Eisenhart were chosen for the District Band at Shamokin, and Sallie was then selected for State Band. Those representing Troy at the County Band at LeRaysville were John McCabe, Joan Ballard, Carolyn Teribury, Sallie Becker, Dorothy Hickok, Lorraine Dunbar, Beverly Wilber, Janice Young, Curtis Dunbar, Phyllis Crumbling, Miles Wood, Samuel Eisenhart and Alan Pomeroy.

A new orchestral goal for Troy was reached when the Northeast District held its festival concert in the Troy High School gym. Mr. Michota of the Mansfield State Teachers College was guest conductor with Mr. Crimmel acting as Host conductor. Students represented in this orchestra were Alan Kingsley, Shirley Lyon, Marilyn Teeter, Nancy Kendall, Christine Updike, Marian Keigler, Marilyn Grace, Sallie Becker, Marilyn Cool, Phyllis Jenkins, Curtis Dunbar, and Phyllis Crumbling.

Our own orchestra improved greatly this year and was enjoyed at the Senior Play and many school assemblies. The county orchestra included Beverly Wilber, LaRue Gates, Donna Mattocks, Florence Wells, Marjorie Haflett, Audrey Peters, Mary Crocker and those participating in the District Orchestra.

Atrumpet Trio, organized this year by Mr. Crimmel with Beverly Wilber, Betty Sherman, and Floyd Ward as trumpeteers, played at Senior Play, Springfield Church, Christmas Assembly, and the May Festival. Another new musical group was the clarinet quartet which played at the Christmas Assembly. Its members are Joan Ballard, Carolyn Teribury, Sally Ann Smith, and Dorothy Hickok.

The Advanced Glee Club under the direction of Mrs. Deemy and with Mr. Crimmel as accompanist was composed of girls from the Junior and Senior classes and the Boys Glee Club. The Advanced Glee Club presented the operetta, "Marrying Marian" which was a great success. It also sang a tthe Methodist Church and gave a Christmas assembly in conjunction with the orchestra and other glee clubs. Samuel Eisenhart and Wilber Slocum were chosen for District Chorus. County Chorus representatives were Frank Morgan, James May, John Young, Robert Williams, Wilbur Slocum, Harry Corey, Duane Updike, Earl Lampman, Kathryn Saxton, Emily Mitchell, Vera Selleck, Marie Ames, Linda Horning, Jo Ann Slingerland, Nancy Van Veghten, and Shirley Harvey.

Miss Roush has charge of the Girls Glee Club which sang at the Christmas program and presented the annual Easter music in Assembly.

The Boys Glee Club with Mr. Crimmel directing and Betty Sherman as accompanist sang at Troy Music Club's Men's Night, assembly programs, and at band concerts.

The Girls Ensemble, with Mrs. Deemy directing, sang at the Senior Play, P. T. A., D. A. R., Springfield Church, "Aunt Silly", and Easter assembly. Its members are Catherine Roy, Betty Sherman, Doris Raub, Shirley Harvey, Shirley Lyon, Beverly Wilber, Phyllis Crumbling, Marilyn Teeter, Sallie Becker and Kathryn Saxton.

The Junior High Glee Club composed of students from the seventh, eighth and ninth grades and under the direction of Miss Roush and Mr. Crimmel took part in the May Festival.

In addition to the regularly organized clubs, classes in music appreciation, singing, and instrumental work are carried on by the three music teachers not only in the Troy School but in all the schools of the joint district.

The Future Farmers of America is larger this year than ever before in Troy High School with 70 members.

The Troy F. F. A. chapter with its large membership has more members this year than any other Chapter in Bradford County. This year the Troy Chapter placed third in the State project Contest at Harrisburg.

The Troy Chapter has been very active this year, starting off with the Harvest Ball which was a great success. In the spring of 1951 the F. F. A. held a Father and Son Banquet which turned out very nicely, and also this year the Junior Ag. boys, under the supervision of Mr. Mack raised 500 chicks.

We as Future Homemakers stress the importance of home life and homemaking. Among our activities we polished the school's trophies, planned and served a very successful spaghetti supper for the public, and entertained our mothers at a mother and daughter banquet.

Our important feature of the year was the winning of the State Radio Script contest. The winning script was written by Phyllis Crumbling entitled "Convention Bound." Phyllis was assisted by Wilma Kittle, Joan Bailey, and Jane Frederickson in dramatizing this script.

The circulation was considerably boosted through the efforts of Duane Brown, business manager. The typists—Sharon Wilcox, Iona Shaylor, Muriel Watkins, Shirley Lyon, Doris Raub, and Carolyn Teribury—deserve special credit for giving up much of their time to work on the paper.

Little Jack Horner
Sat in a corner
Reading the automobile ads.
He wanted a car
That would carry him far
But of money he didn't have scads.
Then he cried out in glee
When my ad he did see
And straight to Arcieri's he went
To find a nice shay
At a price he could pay
For the saving he'd get
From the Used Car King you bet!

Toni Arcieri.
